August 31, 2020

Dear Parents, Students, and Guardians,

Welcome back to the 2020-2021 school year! We have missed your smiling faces, laughter in the halls, and celebrating your accomplishments. We are excited about returning and are ready to begin teaching and learning.

As we prepare to begin the school year, I ask that you carefully read all of the new information we are providing on our school website regarding the safety procedures we have in place, schedules, car line procedures, and important links, to name a few. Although we are beginning the new school year with attendance in our school building, things will look different than in the past. Please know that all procedures are in place for the safety of our students, faculty, and staff. Your understanding and compliance with these procedures are expected and greatly appreciated.

If you have any questions or concerns, please feel to email me at [Patricia.Welch@stpsb.org](mailto:Patricia.Welch@stpsb.org). Madisonville Junior High school will continue our commitment to provide a safe environment where students excel academically and socially. We will also continue to foster an unwavering foundation of respect. We are Eagles who SOAR (Safe, Organized, Always Kind, and Respectful).

Sincerely,  
Patricia Welch Nelson  
Principal
