## EMERGENCY CARDS

It is **critical** that the school be able to contact parents if necessary. **Each student must have a completed emergency card by the end of the first week of school.** This card will be filed in the front office. All emergency cards must include a LOCAL phone number for the parent (or contact person). Be sure to include additional contact numbers just in case you can't be reached. Please notify the front office of any changes in writing throughout the year. No student will be allowed to be checked out by an adult who is not designated on the child's emergency card.

## ILLNESS

If your child exhibits any of the COVID symptoms and/or has a fever of 100.4 or higher, he/she will be sent to the sick room. A parent will be called to pick up the student immediately. If your child is diagnosed with COVID, has been exposed to someone with COVID, or has COVID symptoms, please keep your child at home and notify the school immediately.

## ABSENCES

Regular school attendance is an important indicator of student success! Students and parents need to refer to the *Parish Handbook* for all state and parish policies regarding absences.

Upon returning to school **after a 1-2 day absence**, the student must bring a signed note (on a full sheet of paper) from a parent explaining the reason for absence which includes the child's full name, the date the excuse was written, the date(s) the student was absent, and the reason for the absence. **If the absence is 3 or more consecutive days, a physician's note is required.**

The student must turn in **written excuses** to the front office within 3 days of the absence. If a doctor's excuse is attached to the note from home, it will be placed in the child's permanent folder. It is the student's responsibility to check with his/her teachers to set up a schedule for completion of work missed. When a student is absent, the parent is encouraged to email the teachers for any missed assignments. They may do so by going to our website at [madisonvillejunior.stpsb.org](http://madisonvillejunior.stpsb.org). **If a student is absent more than three periods, he/she is not to participate in extracurricular events after school that day and will not be considered for perfect attendance.** If a student checks into school after 8:00 AM, but before 10:00 AM, he/she is considered absent from school for a half-day.

Students absent from class due to school sponsored activities are not marked absent. The school board automatically sends home letters to parents after five absences whether they are excused or unexcused. A student who is habitually absent or tardy shall be reported to the Supervisor of Child Welfare and Attendance and/or to the St. Tammany Parish family or juvenile courts.

**HEALTH AND SAFETY PROCEDURES AT THIS TIME: Parents should notify the principal immediately upon symptoms of COVID, or if a child has been exposed to COVID. Students should remain at home until guidance is given from the school or central office on when it is safe to return.**

Parents needing to check-out a child or admit a child for a tardy will need to call the number on the office door to state why they are here. ### **DRUG DETECTION**

The administration may search a student as well as his/her locker according to parish guidelines when there is probable cause to believe that the student has in her/her possession any illegal substance. In addition, drug dogs are periodically brought to school by area police and/or the sheriff's department to conduct random classroom/locker searches. Any evidence seized as a result of such a search may be used in court prosecution. Students having been found in possession of illegal substances and or prescription medications will be recommended for expulsion from school. Consult the St. Tammany Parish System Handbook for more information including possible consequences.

### **PARENT INVOLVEMENT POLICY**

The faculty and staff of Madisonville Junior High believe that educational success requires the active involvement, participation, and support of parents, community members, students, and school staff. Therefore, open communication and opportunities for active involvement are encouraged in several ways through various forms of communication, opportunities for involvement, and decision making opportunities.

### **DISCIPLINE PROCEDURES**

MJH has a School-wide Positive Behavior Support program supported by both our School Board and the Louisiana Department of Education. A school-based team of parents, staff, and students have worked to enhance positive behavior through ensuring an effective and efficient school-wide approach to discipline. Our PBIS plan encourages personal responsibility for attitudes and actions we choose each day. We also plan to provide opportunities for parental support through community resources, parenting programs, and informational meetings.

Our plan is based upon four simple rules using the Acronym of S.O.A.R. Students need to be safe, organized, always kind, and respectful. When students display these characteristics, they will have a successful day

#### **EAGLES**

Safe  
Organized  
Always kind  
Respectful

Rules for every area of the school will be posted and thoroughly reviewed in both classroom and at school-wide review meetings. Morning detention may be assigned by classroom teachers, duty teachers, and administration for violation of minor classroom, school, and parish rules. More serious or habitual violations will be handled through the administration in accordance with the parish discipline policy. More specific parish guidelines are listed for your review and reference in the **Handbook on Attendance, Discipline, and Student Records**.

In addition, students may be rewarded for their positive behavior and effort through Eagle Bucks, Golden Referral recognition, classroom rewards, and 9 weeks celebrations for good behavior.

This program focuses on proper social skills and prevention of disrespectful behavior.

In accordance with St. Tammany Parish School Board Policy, students found to be committing acts of bullying including, but not limited to, physical bullying, emotional bullying, or sexual bullying, as defined in the district handbook for students and parents, will be given consequences based upon the severity and frequency of the act(s). ## EDUCATION OF CHILDREN & YOUTH IN HOMELESS SITUATIONS

The McKinney-Vento Act is a federal law passed in 1987 to help people experiencing homelessness. The McKinney-Vento Act applies to all children and youth who do not have a fixed, regular, and adequate nighttime residence, including children and youth who are living in the following situations:
