

Madisonville Junior High Morning Carline Procedures

At Madisonville Junior High, safety is a top priority for our students and their families.

The St. Tammany Parish School System buses provide a safe means for your child to arrive at school on time every day.

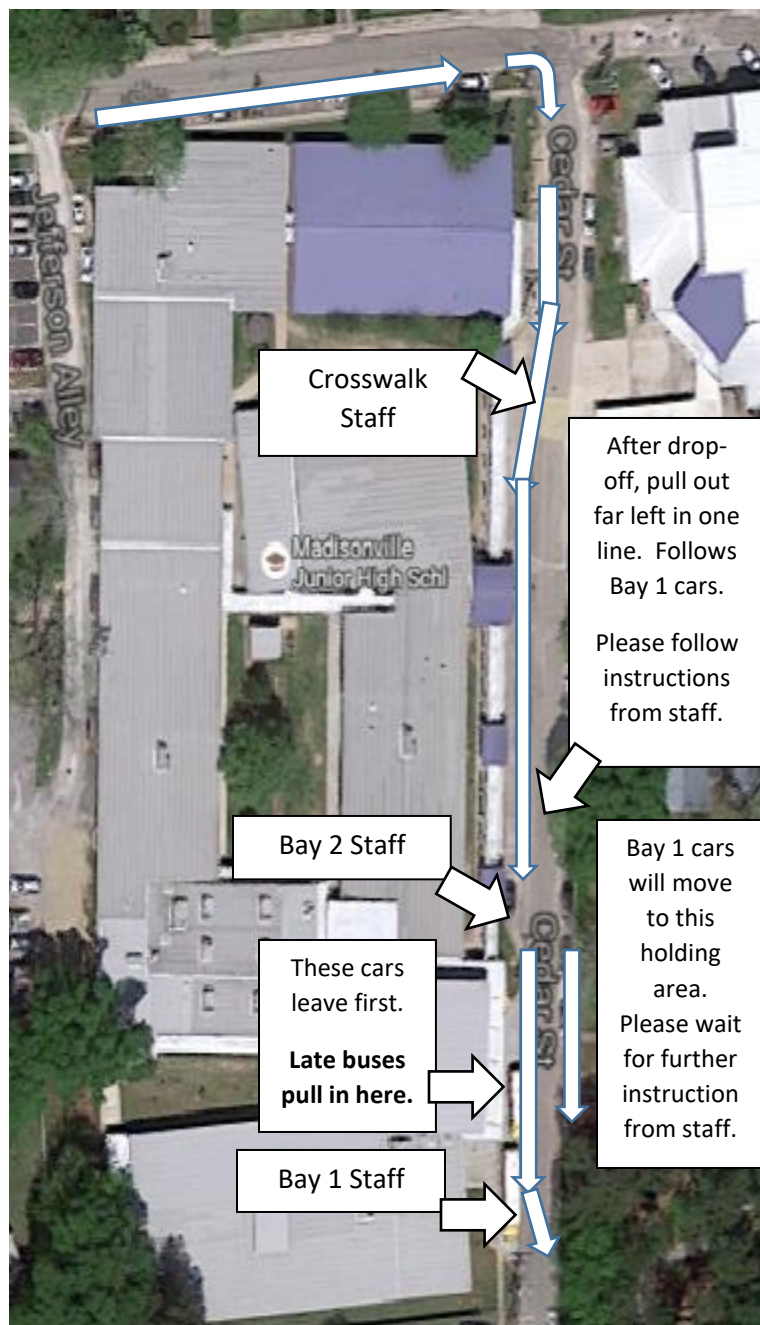

However, we know that at times there may be a need to bring your child to school using your own transportation.

When this situation arises, we ask that you follow the procedures indicated on the map to the right.

Carline begins promptly at 7:00 AM with the first bell and concludes at 7:26 AM with the bell that begins our transition to class for learning to take place starting at 7:29. Children need to exit the vehicle safely and quickly.

Staff members are located at three points during the morning car line. Please follow their directions as sometimes situations will arise that will require some flexibility from our normal procedures.

Please remember to be courteous to our staff, students, and other drivers.

Keep in mind the following as they relate to providing safe movement for all involved.

-School Zones and Carlins are HANDS FREE ZONES for cellular phones and other technology.

-Students MAY ONLY BE DROPPED OFF in front of the school on Cedar St. in the approved area. Please do not drop off or pick up students near our neighbors or area businesses.
