BOND PROJECTS

ENHANCED TECHNOLOGY

Improve technology infrastructure at every school to support current and future technology and security

INDIVIDUAL STUDENT TECHNOLOGY

Expand Chromebook pilot to provide one-to-one computer access to students in grades 4-12

SAFETY UPGRADES

Upgrade and expand security cameras and safety technology infrastructure

SECURE SCHOOL ENTRIES

Install camera and electronic lock system on school entry doors

ACCESS CONTROL SYSTEM

Set up an electronic access control system for exterior doors within schools and facilities

PERMANENT CLASSROOMS

Build permanent brick-and-mortar classrooms to eliminate the oldest modular buildings

CRITICAL SAFETY AND SECURITY MEASURES ARE NECESSARY AT EVERY SCHOOL.

**SCHOOL SAFETY
MILLAGE REDEDICATION**

SCHOOL RESOURCE OFFICERS

School Resource Officers will remain in all schools to maintain safe, secure learning environments for students and employees.

MENTAL HEALTH PROVIDERS

Mental Health Providers will remain in schools full time to exclusively focus on intervention and to provide behavioral health education and resources.

DID YOU KNOW?

STPPS remains a leader in education, preparing 2419 graduates for success in 2018.

Every school has a full-time SRO and Mental Health Provider on campus to keep schools safe.

Local taxes are the only source of funding to maintain and improve school buildings.

STPPS millage rate roll backs of 22.69 mills save taxpayers \$47.1M per year.

\$175M CAPITAL IMPROVEMENT PACKAGE WILL HELP KEEP SCHOOLS SAFE AND UP-TO-DATE

ELECTION DAY IS MAY 4TH
